*One of the most exciting things for a Pastor to see is the church involved in ministry and evangelism. In July our GROW (Go Reach Our World) Teams got kicked off. If you notice from the pictures above, we have about 100 participants (Praise God)! During July we divided the streets in Lancaster (most of Garrard County) to start prayer walking. I can't wait to see how God is going to answer our prayers for our neighbors and communities. I suspect He is going to give us a greater burden for reaching our neighbors and neighborhoods with the gospel.*

*Our next steps (which have already begun) include community outreaches and canvassing our neighborhoods to invite people to church and hopefully have gospel conversations. Teams have also begun ministering to some of the needs in their district (several landscaping projects have been done in July). I hope you will find a way to participate in reaching your district (neighborhood) to Christ. May the Lord send a harvest! Bro. Harold*
