From Your Pastor: SCHOOL = MISSION FIELD

But may all who seek you rejoice and be glad in you; may those who love your salvation say continually, "Great is the LORD!" Psalm 40:16

School started back today in Garrard County. I frequently think about how blessed we are to have the number of God-fearing leaders, teachers, administrators, and support staff in Garrard County. We should never take that for granted, fail to thank the Lord for them, and show support for the school district when they stand for the things of God. I hope we, as a church, see our schools as one of our greatest mission fields. Students, teachers, and all who are involved in the school system have daily opportunities to shine a light for Jesus and show His love, kindness, patience, and amazing grace to other students and staff.

Again, I would like to challenge each of us to pray regularly for our children, their school, their friends, and their teachers. Let's pray for the salvation of those who are lost. Let's pray for courage for those who are saved that they might be a witness for the sake of Christ. School really provides each student their own mission field to live out their faith. Let's pray they will be able to make a difference and that they will be bold and courageous.

This year we again have the privilege of providing mentors for some students at Lancaster Elementary School. I'm thankful for the number of mentors who are willing to give of their time to invest in children. We are expected to need even more mentors this year and if you might be interested please see Rick Gastineau or Susie Browning (training will be on Sat. Aug. 25th). We were able to have a cookout last week (night of Open House) and are hoping to be able to do other activities to love and support LES this year. (A majority of the children who come to our Wed. evenings KidZRock attend LES.)

I would also ask everybody to pray for Bro. Michael this year. He is now the Principal at the high school. We feel like the Lord has put him in this position that he might be able to provide Christlike leadership in our high school. He loves teaching our students in the Youth and will continue to serve as our Youth Pastor. God's grace is more than sufficient to provide him with the energy, time, and strength to serve in both capacities. We can come alongside Michael in our praying and support. Michael is a servant leader at church and at school and I am thankful that our students get to see his humility as he teaches and leads them.

I pray for a fruitful year for our students as they boldly live out the Gospel and hopefully are able to share the Gospel with their classmates. I pray that our teachers are walking so close to Jesus that they can't help but share His love with their students. I hope our bus drivers and cooks have lots of opportunities to share words of encouragement with students who may be going through difficult times. Yes, I pray for a year filled with many ministry opportunities. Join me in praying for our schools this year! May God be made known and glorified throughout Garrard County schools!

Bro. Harold
